Annual Return of Children and Staff at Education and Care services (RS61E)

Attention: Managers and Supervisors at Barnardos Education and Care Services

The RS61 annual return is completed by early childhood education services and gives the Ministry of Education a 'snapshot' measure of the number of enrolled children and staff at licensed services. This information contributes to a comprehensive information base on early childhood education in New Zealand and is used in the development of policy and monitoring in early childhood education.

Please find enclosed for each service:

- Two RS61E forms (spare forms are available at: www.educationcounts.edcentre.govt.nz/statistics/ece/index.html);
- One Freepost envelope;
- Guidelines to assist you in answering the questions;
- A listing of Ministry approved RS61 software application products for July 2007 is on page 5 of the guidelines.

What's new for the 2007 Survey

Question on Student Management Systems

This is a new question. If you tick 'Yes' in section A ensure you tick the relevant statement box in section B of this question and provide explanations if you tick 'No' in section C.

Question 23 (Monitoring Free ECE)

The purpose of this question is to obtain early information about how many children *may* be affected by retaining the current limit of six hours' funding per day for Free ECE.

This question is to be completed by ALL services in operation, for more than six hours on any day, regardless of whether the service is intending to offer Free ECE *from 1 July*.

For 3 and 4 year old children who are enrolled for three days or less, the number of hours they are enrolled should be recorded against the each day of the census week.

Complete each step

- Step 1: Check the cover page.** Make sure your contact details are accurate. If changes are needed please advise your local ministry office (the phone numbers and addresses for Ministry offices are on the back page of the RS61E).
- Step 2: Complete the survey:** Please read the guidelines below for each question and check the numbers you enter carefully. If you use a computer system to produce some of the tables, attach these to the RS61E form.
- Step 3: Sign the declaration.** Please ensure the '*person who filled out the form*' has signed the declaration. The management contact must also sign the RS61 form.
- Step 4: File a copy of the RS61E.** Make sure you keep a completed copy for your records.
- Step 5: Post the RS61E to the Ministry of Education.** The Freepost number is 159045. The due date is no later than **16 July 2007**.
Send a photocopy of your completed and signed RS61E form to Barnardos National office by 16 July

Guidelines for each question

Question 1 (Enrolment and Attendance)

Please ensure enrolment and attendance rows are completed.

If you have recorded enrolments but no attendance, please briefly indicate why attendance is 'zero'.

If attendance is less than 5 percent of enrolments please briefly indicate the reasons.

Question 3 (Ethnicity) and Question 4 (Duration of weekly enrolment)

The age and gender totals for these questions **must** agree.

For example: if you have 10 one-year-old females recorded for question 3 you must have 10

One-year-old females recorded for question 4. Both questions relate to the same children.

Ethnic group classifications are on page 1 of the form.

Question 4 (Duration of weekly enrolment)

Please ensure the *numbers of children* are recorded in the correct *enrolled hours range*.

Make sure you have recorded the child's total weekly enrolment. For example: if the child is enrolled for three days a week for eight hours each day then record the child as being enrolled for 24 hours for the week.

Note that the term 'up to' also means 'including'. For example: a child enrolled for a total of 24 hours weekly is to be recorded in the 'more than 21 and up to 24' row.

Question 5 (Iwi affiliation)

The age and gender of the child must agree with a currently enrolled NZ Maori child by age and gender as recorded in question 3.

The iwi affiliation code/s are to be entered along with the date the child first started at your service, their age at 1 July 2007 and their gender, please make sure you record a complete record for each child.

Services are required to record iwi affiliation information of NZ Maori children who are newly enrolled as from 1 January 2003.

Additionally, if iwi affiliations are known for currently enrolled NZ Maori children who had enrolled at the service prior to 1 January 2003, services are encouraged to record their details as well.

Additional information on iwi data collection and copies of the codes can be located at:

www.minedu.govt.nz/goto/iwidata or email: iwi.data@minedu.govt.nz .

Question 6 (Current waiting time)

Please ensure you tick a category for each age group.

Question 7 ('Eligible' children waiting to start)

Do not include any children who do not currently meet the eligibility criteria for your service.

For the purpose of the RS61 form, to be defined as eligible a child meets the age or other requirements of the service.

Question 8 (Estimated weeks of operation)

Record the number of weeks, counting each part week as one whole week, you expect your service to be operating in the forthcoming year from 1 July 2006 to 30 June 2007 (max 52 weeks)

Question 9 (Language of communication)

Please record the language or languages of communication used by teaching staff during the formal programme and give the proportion of **all** teachers' total time spent using that language. For example: if English is the only language, record 100 percent.

If multiple languages are used specify each language and record the proportion of all teachers total time using that language.

Staffing Questions in general (Questions 10-20)

Only record child contact hours for part-time staff. Do not record child contact hours for full-time staff.

Ensure the number of part-time staff and their total child contact part-time hours for the census week are recorded in the correct corresponding gender columns.

For this RS61 return, 'part-time' is considered to be less than 25 hours per week.

Question 10 (Permanently-appointed paid senior management staff)

Do not record these senior management staff anywhere else in the RS61 form.

If you have more than one ECE service and your senior management staff work at or for all of them, only record these staff on one of your services RS61 forms. If these staff are recorded on each of your services RS61 forms it will lead to double-counting.

Question 11 (Paid support staff)

Support staff are primarily engaged in maintenance, cleaning, food preparation and administrative support. If you have more than one ECE service and your support staff are employed to work for all of them please apportion their time accordingly. For example, to record one support person for three services; record the person as part-time on the RS61 form for each service and apportion their hours accordingly.

Question 12 (Paid specialist staff)

Psychologists, physiotherapists etc are to be recorded in this question.

Question 13 (Usual teaching staff)

'Usual' means the people who would normally be teaching, therefore do not include day-to-day relievers etc. Record usual teaching staff by the highest ECE qualification they hold.

Refer to the question footnotes in the form for further explanations about relevant ECE qualifications.

Question 14 (Usual teaching staff currently in study for ECE teacher education qualifications or other ECE qualifications)

Usual teaching staff in study are to be recorded in either Table 1 or Table 2 but not in both Tables.

Record each teacher by their highest level of ECE study and their expected year of graduation.

Ensure the total staff currently studying does not exceed the staff total for question 13.

Question 15 (Usual teaching staff by NZ Teacher Council Registration Board status and qualification)

Staff totals by qualifications must agree with staff totals by qualifications in question 13.

Ensure teachers who are not NZTC registered are also recorded in this question.

Refer to the question footnotes in the form for further explanations about NZTC registration status.

Question 16 (Usual teaching staff by NZ Teachers Council Registration Board status and ethnicity)

Staff totals by NZTC registration status must agree with staff totals by NZTC status in question 15.

Ensure teachers who are not NZTC registered are also recorded in this question.

Refer to the question footnotes in the form for further explanations about NZTC registration status.

Question 17 (Usual teaching staff by highest ECE qualification, ethnicity and gender)

Staff totals by qualification must agree with staff totals by qualifications in question 13.

Staff totals by ethnicity must agree with the ethnic staff totals in question 16.

Question 18 (Permanently appointed paid teaching staff at your service during the census week)

For the purpose of the RS61 form **permanently** means 'an employee in an established position in a non-relieving capacity'.

Question 19 (Recruitment/Appointment of permanently appointed paid teaching staff)

Information is required from the past year between 1 July 2006 to 30 June 2007 inclusive.

Include information about teaching staff who were appointed to your service last year, from 1 July 2006, but have since left your service.

Question 20 (Resignation of permanently appointed paid teaching staff)

Information is required from the past year between 1 July 2006 to 30 June 2007 inclusive.

If paid teaching staff did resign from your service please ensure Tables 1, 2 and 3 have been answered.

Question 21 (Relationships with local schools)

This question relates to the ECE strategic plan goal of promoting collaborative relationships.

If your service has links with local schools please ensure a 'yes' or 'no' box is ticked for each statement.

If you tick 'yes' for statement (vi) please record details of the relationship.

Question 22 (Services additional to ECE provided by your service)

If you tick 'yes' ensure you tick the relevant statement boxes in the sections (i) to (v).

If you tick statement (v) please record details of the other additional services.

Question 23 (Monitoring Free ECE)

Ensure the number of children in the box in section 1 is equal to the total number of children you provide information for in section 2 of this question.

If your service uses Student Management System (SMS) please:

- attach a printout of the table to the form and also;
- send the matching electronic file to ece.statistics@minedu.govt.nz.

Of the software products listed on page 5, only KOMS (Eyde Ltd) doesn't create an electronic file, therefore ECE service that use KOMS, please just attach the printout of the table to the form.

KIDIWINKS did not submit the tables for approval this year, those who use this software application should fill this question manually.

If you have a problem finding the file, please contact your other software providers (INFO-CARE, APT CHILDCARE, FIRSTBASE, CENTAMIS, SUMNER).

Declaration

Please ensure the '*person who filled out the form*' has signed the declaration.

The management contact must also sign the RS61 form.
