

# Index of figures

<b>Figure 1</b> Average domestic tuition fee per equivalent full-time student in tertiary education institutions by provider type.....	9
<b>Figure 2</b> Ratio of the average domestic student tuition fee at tertiary education institutions to the average weekly income of the employed.....	9
<b>Figure 3</b> Total government-funded equivalent full-time student (EFTS) places and average funding per equivalent full-time student in public tertiary education organisations.....	9
<b>Figure 4</b> Participation by domestic students in tertiary education.....	16
<b>Figure 5</b> Domestic students completing tertiary qualifications by level.....	17
<b>Figure 6</b> Living standards of New Zealanders by qualification level 2000.....	18
<b>Figure 7</b> Relativities of real median equivalised disposable incomes between different educational qualifications.....	18
<b>Figure 8</b> Student loan uptake rates for full-time students.....	19
<b>Figure 9</b> Percentage of borrowers fully repaid by 31 March in each year – those who left study in 1992, 1994, 1997, 1999, 2001 and 2003.....	19
<b>Figure 10</b> Percentage of borrowers who left study in 1998 and 2001 who had completely repaid their loans by 31 March 2006 – by gender and completion status.....	20
<b>Figure 11a</b> Proportions of borrowers who left study in 1992 who had repaid all, some or none of their student loans by 31 March 2006.....	21
<b>Figure 11b</b> Proportions of borrowers who left study in 1997 who had repaid all, some or none of their student loans by 31 March 2006.....	21
<b>Figure 12</b> Student loan borrowers and new borrowers in each academic year.....	28
<b>Figure 13</b> Student loan uptake rates.....	28
<b>Figure 14</b> New borrowers by gender.....	29
<b>Figure 15</b> Percentage of new borrowers by age.....	29
<b>Figure 16a</b> Full-time borrowers.....	30
<b>Figure 16b</b> Part-time borrowers.....	30
<b>Figure 17</b> Percentage of borrowers by gender.....	30
<b>Figure 18</b> Percentage of borrowers by age while studying.....	30
<b>Figure 19</b> Borrowers by ethnic group.....	31
<b>Figure 20</b> Total loan borrowing by year.....	31
<b>Figure 21</b> Average amount borrowed 1992-2007 and median amount borrowed 2000-2007.....	32
<b>Figure 22</b> Average amount borrowed by gender and year.....	32
<b>Figure 23</b> Median leaving loan balance for 1992-2005 leaving cohorts by gender – all borrowers and those who studied at bachelors level 1997-2005.....	32
<b>Figure 24</b> Total amount drawn by loan component.....	33
<b>Figure 25</b> Average course fees borrowed by provider type.....	34
<b>Figure 26</b> Students borrowing living costs loans and receiving student allowances.....	35
<b>Figure 27</b> Borrowers with Inland Revenue at 30 June.....	36
<b>Figure 28</b> Overdue student loan repayments at 30 June.....	36
<b>Figure 29</b> Borrowers with Inland Revenue at 30 June 2008 by age.....	36
<b>Figure 30</b> Cumulative loan repayments received by Inland Revenue compared to aggregate loan balances.....	38
<b>Figure 31</b> Value of gross loan repayments received by Inland Revenue – borrower/employer split.....	38
<b>Figure 32</b> Loans fully repaid to Inland Revenue at 30 June.....	38
<b>Figure 33</b> Proportion of borrowers who have fully repaid each year for each cohort of leaving borrowers.....	39
<b>Figure 34</b> Long-term projection of new lending and repayments in millions of dollars, nominal and adjusted for inflation.....	39
<b>Figure 35</b> The value of the Student Loan Scheme at 30 June.....	41
<b>Figure 36</b> Comparison of projected repayments.....	42
