INTRODUCTORY NOTES

Please read the following notes carefully before completing your return

Dates:

Roll count date	Monday 3 March 2008
Due date	Thursday 13 March 2008

Note: Your 1 April Operational Funding instalment will be calculated on your **actual** roll, as reported in this roll return, **PROVIDED THAT it arrives at the Ministry by Thursday 13 March**. Refer to the Funding, Staffing and Allowances Handbook.

Instructions:

Before completing this roll return **please read** the *2008 Roll Return Guidelines – Secondary, Area (Composite) and Special Schools* booklet which was sent out to school principals in November 2006. This provides details to assist you in completing this return. A copy of this document is also available on the Ministry of Education website www.educationcounts.govt.nz/goto/guidelines

Page references to the Guidelines booklet:

Tuition Fees and weeks (Question 2)	45
Student types (Questions 2 & 3)	37
Counting students (Question 3 and other student roll-related questions)	14
Funding Year Level (Questions 3, 4, 6.4, 7.5)	46
Māori Language Learning – definitions of levels (Question 4)	28
Previous School (Question 5 – Restricted Composite only)	32
Zoning Status (Question 6)	49
School Leavers – Secondary qualifications (Question 7)	35
Off-site Classes/Units/Centres (Question 9)	30
Teacher Vacancies (Question 10)	41

Consistency between tables

- **Question 2 – International Students:** The numbers of International fee-paying students and NZAID-funded students must agree with the totals of these students in columns 7 and 8 in Question 3 unless any of the International students are part-time.
- **Question 4 – Māori Language Learning:** The total number of students at each Funding Year Level across all learning levels cannot be greater than the total number of students in each Funding Year Level in Question 3 unless part-time students are included. The number of Māori students in any cell (box) cannot be greater than the number of 'All' students in the cell above.
- **Question 5 – Previous School:** The gender totals in Question 5 must equal the Year 7 gender totals in column 1 of Question 3.
- **Question 6 – Zoning Status:** The total at each Funding Year Level in Question 6.4 must equal the sum of the male and female students at each Funding Year Level in column 1 plus column 3 of Question 3.
- **Question 7.3, 7.4 and 7.5 – School Leaver tables:** The gender totals in each ethnic group in question 7.3 must agree with the gender totals in each ethnic group in question 7.5. If you have students reported in 7.4 as well, then 7.3 + 7.4 gender totals in each ethnic group must agree with gender totals in question 7.5.
- **Question 11 – Teacher vacancies:** The number of vacancies in Question 11.3 must not exceed the number in Question 11.2, and the number of vacancies listed in Question 11.4 must equal those in Question 11.3.

Information Privacy

The data collected through the RS form is required for the management of educational programmes, resource allocation, to support policy analysis/decision-making and for national and international reporting purposes. Information relating to individual students and staff members employed by the school will be treated as confidential by the Ministry of Education and access to the information will be restricted to a small number of authorised personnel working within the Ministry. Release of this information outside the Ministry will only occur in aggregate statistical form and no information which identifies individuals will be made available to any individual, group or agency outside the Ministry.

Question 1 – Student Management Systems

1.1 Are your student records kept on a computerised student management system?

No → Go to Question 2
Yes → Go to Question 1.2

1.2 Please tick the type of student management system used in your school, and state the version:

✓	Name of SMS	Version
	e-Minerva	
	eTAP	
	IES	
	Integris	
	KAMAR

	Other, please state:	

1.3 Are print-out tables from your student management system attached to this form?

Yes → Go to Question 2
No → Please explain why not

Please explain why your SMS tables are not attached:

Question 2 – International students

Do any International students attend your school at 3 March 2008?

No

Go to Question 3

Yes

Read the instructions below,
then give details on the next
page.

Instructions

- Schools with an SMS please append **Table M2**.
- Schools not using an SMS please follow the instructions below.
- **Country of Citizenship:** Please enter correct codes. A list of country codes can be accessed on the Ministry of Education website: www.minedu.govt.nz/goto/schoolrollreturns. Note that the correct code for students from South Korea is KOR (not PRK).
- **Type of Overseas Student:** Please list International exchange students first, then NZAID-funded, then International fee-paying students.
 - EX International Exchange
 - FE NZAID-funded
 - FF International fee-paying
- **Part-time overseas students:** This is for overseas students who are attending your school part-time. Please enter their FTE (Full-time equivalent) in this column.
- **Tuition Fees:** The fee to be entered is the amount charged for this academic year (or proportion of the year for which the student is enrolled), not just that portion of the fee that has been paid to date.
- **Tuition weeks:** This is to record the number of tuition weeks the students are attending this academic year (refer page 45 of the *2008 Roll Return Guidelines*).
- **Exchange Scheme:** The list of exchange schemes are listed in the guidelines on page 38.

Question 2 continued – International students

- Please list International exchange students (EX) first, then NZAID-funded (FE), then International fee-paying students (FF).
- If your school has more than 20 International students please photocopy this page and attach the extra pages to your return.

Question 3 – Roll by Type of Student

Give details of the total FTE (full-time equivalent) of students on your school roll at 3 March 2008.

- Schools with an SMS please append **Table M3**.
- The **FTE of part-time Regular and part-time Adult students** is to be calculated by summing the FTEs of students with the SAME Funding Year Level and Gender, and rounding each of these sums to the nearest whole number (Refer to section on Full-time Equivalent in the *2008 Guidelines*, page 25).
- An **Alternative Education** student is to be counted on the roll of **one school only**, either the managing school or another school in the consortium.

Question 4 - Māori Medium Education

Below is a summary of the numbers and levels of Māori Medium Education you reported in your **July 2007** roll return.

(Note: as Levels 5 and 6 are not eligible for Māori Language Funding, they are not included in this summary.)

Please check the numbers and levels you are reporting in this roll return (**March 2008**), against the ones in the July 2007 summary below.

Summary of what you reported in July 2007		
	July 2007 actual numbers	Predicted numbers for March 2008
	Total number of students (Including Māori)	Total number of students (Including Māori)
Level 1		
Level 2		
Level 3

Question 6 – Zoning Status

A student's zoning status indicates whether a domestic full-time regular or full-time adult student resides inside or outside of the School Zone at their date of first attendance at your school. This information will assist the Ministry to make decisions about the provision of accommodation for non-integrated state schools with Ministry of Education-approved enrolment schemes.

6.1 Is your school a state school?

Yes → Continue to Question 6.2

No → Go to Question 7

6.2 Does your school have a Ministry-approved enrolment scheme operating at 3 March 2008?

No → Go to Question 7

Yes → Give details in Questions 6.3 and 6.4

6.3 On which date did your enrolment scheme take effect?

dd / mm / yyyy

Question 6 continued – Zoning Status

6.4 Give details below of the number of full-time regular and full-time adult students by their Zoning Status

- Schools with an SMS please append **table M6**.
- Zoning Status is based on the student's address **at the time of enrolling** at this school (Refer to page 49 of the *2008 Roll Return Guidelines*).
- **Exclude:** International fee-paying and NZAID-funded students.

Question 7 - School Leavers 2007

Questions 7.1 – 7.6 collect information on the number of students leaving school to enter the New Zealand workforce, or further education or training in New Zealand.

Please read the following pages and refer to the *2008 Roll Return Guidelines*: page 35 (Secondary Qualifications)

7.1 If you had no School Leavers in 2007, please complete the box below, then continue to Question 8.

NIL RETURN If you have no 2007 School Leavers please indicate a Nil Return by ticking the box and give the reason (E.g. a school with no students older than 15 years).	Please tick if your school has no 2007 School Leavers <input type="checkbox"/>	Reason:
---	--	---------

7.2 2006 School Leavers Comparison (previously Insert A)

The following information on your school leaver patterns are provided to assist you in checking the school leaver data that you are providing this year. The following information was collected in your 2006 school leavers and reports only the fulltime regular students and fulltime adult students.

Students leaving your school with:	For 2006 leavers you reported:
NCEA Level 3 or other Level 3 NQF Qualification	
No formal attainment	

Check that the numbers you report in this return are **consistent** with your expectations.

Question 7 continued – School Leavers 2007

7.3 Do you Offer Non-NQF qualifications (e.g. CIE, IB, ACE)?

Yes → Continue below

No → Go to Question 7.4

If you offer a choice between National Qualifications Framework (NQF) qualifications (e.g. NCEA) and alternative Non-NQF qualifications (e.g. CIE, IB, ACE) you need to follow the table below to complete the leavers questions.

Does your school have leavers with ...		Which tables to complete	Please tick ✓ which applies to your school
Highest attainments in NQF only	You have an SMS	Append SMS printout tables SL1 and SL2	
	You don't have an SMS	Complete questions 7.4 and 7.6	
Highest attainments in Non-NQF only	You have an SMS	Complete question 7.5, and append SMS printout table SL2	
	You don't have an SMS	Complete questions 7.5 and 7.6	
Highest attainment in either NQF or Non-NQF attainments	You have an SMS	Complete questions 7.4 and 7.5, and append SMS printout table SL2.	
	You don't have an SMS	Complete questions 7.4, 7.5 and 7.6.	

If you have students with attainment in NQF and NON-NQF:

- Please **read carefully** page 35 and 54 of the *2008 Roll Return Guidelines*. Show each school leaver by their **highest** attainment only. Each student must be reported **only once**, either in **question 7.4 (SL1) or in question 7.5**.
- The SMS-generated table **SL1 reports only NQF results for each student**, therefore schools with an SMS, and which have students with **both** NQF and Non-NQF attainments, check the attainment ranking on page 54 of the *2008 Roll Return Guidelines*, and report each student in only one attainment table - please adjust the SL1 table (question 7.4) and also complete question 7.5.
