

## Ethnicity Codes

Below is a list of the ethnicity codes for use in 2007 by

- School Student Management Systems (SMS)
- ENROL – the student enrolment system for schools
- Tertiary Student Management Systems

The Ministry changed to numeric codes in 2006 to align with Level 3 ethnicity codes used by Statistics New Zealand. Schools' enrolment forms should allow for students to self identify or be identified by their parents/guardians as belonging to more than one ethnic group. These codes are also used by NZQA for 2007 data collections.
