TABLE OF CONTENTS

EXECUTIVE SUMMARY	3
The action research projects	3
The surveys	5
INTRODUCTION	6
Background to the ECE ICT PL Programme	6
Literature and research that guided the programme	7
Details of the professional learning model.....	9
Selection and profile of services involved.....	10
Intent and scope of this synthesis	11
KEY FINDINGS FROM THE ACTION RESEARCH REPORTS.....	12
1. Children’s learning	12
Literacy learning outcomes in eLearning contexts	12
Learning outcomes related to thinking and enquiry.....	18
Learning outcomes related to children’s agency as learners	26
Learning outcomes related to culture and cultural values	31
Using ICT to encourage children’s creativity	37
Using ICT to support children with learning differences and to promote inclusiveness.....	43
The affective domain	50
2. Engaging with communities	54
Community understanding of children’s learning.....	54
Improving dialogue and connection with communities	60
Easing transitions	70
3. Professional learning.....	79
Using ICT as means to reflect and refine pedagogy	79
KEY FINDINGS FROM THE TEACHER SURVEYS	85
The Impact of the Early Childhood Education Information Communication Technology Professional Learning (ECE ICT PL) Programme	85
RECOMMENDATIONS FROM SERVICES.....	92
FINAL COMMENTS.....	93
REFERENCES	95
APPENDIX 1.....	97
Application form for ECE ICT Professional Learning programme	97
APPENDIX 2.....	103
ICTs in ECE services case studies.....	103
